

Statement of Faith

At Broken Wings we have a personal relationship with Jesus Christ. We come from different denominations and cultures at Broken Wings. However, we major on having a relationship with Jesus and let the denominational doctrine differences stay in the churches. Here at Broken Wings, we put our relationships with Jesus first and are led by the Holy Spirit.

Who is God? He is the creator of everything/everyone in this world and the galaxies. He is one, yet exists in three: God the Father, God the Son and God the Holy Spirit.

Who is Jesus? He is fully God and was fully man. He was born of the virgin Mary. He was born to die for our sins. He lived a sinless life. He died on a cross and 3 days later was raised by God our Father to destroy all the works of the enemy. He is making a new Heaven and a new Earth (Book of Revelations) for us. Jesus was tempted in everything you and I are tempted in. He knows what you're struggling with. He sticks closer than a brother/sister (Book of Proverbs).

Who is the Holy Spirit? God the Holy Spirit comes to live in your life at your verbal confession and believing in your heart that God has raised Jesus from the dead. It is with the heart that makes one righteous and with the mouth confession is made unto salvation. The Holy Spirit then continues to cleanse (sanctify) you through this personal relationship with Jesus that we have come into. It is through the conviction of the Holy Spirit we repent of things not pleasing to God.

What is the Bible? We believe God's Word is alive and active in our daily lives. God does not come out with new versions according to the years, times, society, politics or someone's agenda. God does not change nor does His Word (Old and New Testament) the Bible (Book of Malachi). Anyone who does what is written in the Bible will be blessed (Book of Joshua).

Who is the Devil? Satan, the Enemy, he hates you and everything that God stands for and wants to kill, steal and destroy you and everything that is good in your life (Book of John). The Devil also has demons that are active in our world. We believe if a person has a relationship with Jesus cannot be demon possessed. However, that person can be oppressed if he or she opens a door for the enemy in their lives that goes against God's Word. We believe people who do not know Jesus can be and suffer demonic oppression (Books of Matthew, Mark, Luke, John).

What does it mean to be Holistic? We believe as humans that we are hardwired by God with a body, mind and spirit. We believe that in our bodies the chemistry can get out of balance with depression, anxiety, trauma and other mental health issues. Research has proven medication, supplements or essential oils as effective to help the severity of bodily symptoms so you can feel relief. As Christian professional therapists, we work with the mind/emotions and can help with the best therapy for you. We are also spirit. We can incorporate our values from this statement of faith to help you have a relationship with Jesus. Or we will never push that onto you if that is what you so choose. We believe everyone has a voice and a choice.
